American Garden Plant List

The American garden bursts into life in late spring and early summer. There is mass planting of ornamental grasses and flowering perennials which bring wonderful colour and are great for attracting bees and butterflies. Autumn brings sublime leaf colour on the many Rhus shrubs planted here. Poplar trees add height and prominence to the garden all year round.

Stream Garden Plant List

An array of evergreen trees, shrubs, ferns and groundcovers are present here in the Stream

Garden:

Dryopteris filix-mas
Dryopteris erythrosora
Dryopteris affinis 'Crispa'
Pinus mugo 'Mughus'
Ilex crenata
Drimys winteri
Trachelospermum jasminoides 'Waterwheel'
Yushania anceps
Aucuba japonica
Magnolia grandiflora

Magnolia x loebernei 'Merrill'
Sciadopitys verticillata
Fagus sylvatica
Pinus sylvestris
Herniaria glabra
Cryptomeria japonica 'Elegans Compacta'
Sasaella ramosa
Quillaja saponaria
Camellia sasanqua 'Cleopatra'

all provide interest in the garden throughout the year.

Woodland Plant List

The woodland is home to many mature deciduous trees such as Sycamore, Ash, Beech, Oak and Horse Chestnut. Newly planted trees, shrubs ferns and grasses planted under and amongst these mature trees include:

Pinus wallichiana

Ilex crenata

Dryopteris filix-mas

Blechnum spicant

Eucryphia cordifolia

Aucuba japonica

Cryptomeria japonica

Castanea sativa

Fagus sylvatica

Prunus lusitanica

Prunus laurocerasus

Fatsia japonica

Buxus sempervirens

Ginkgo biloba 'Menhir'

Quercus ilex

Drimys winteri

Carex oshimensis 'Everlime'

Osmunda regalis

Semiarundinaria fastuosa

Davidia involucrata

Pinus sylvestris

these provide interest in the woodlands all year round.
